NCG EXPERIENCE time is luxe

Description

Picture yourself waking up to Caribbean waves lapping at your private shoreline. Six bedrooms, each with its own personality, frame ocean views through shuttered doors and soaring ceilings. This isn't just another beach house, it's where indoor gardens grow beside your shower and granite countertops reflect morning light.

The open-air living spaces blur boundaries between inside and out. Exposed wooden beams stretch overhead while tropical breezes flow through. Your private pool catches sunlight all day, surrounded by palm trees and multiple terraces perfect for morning coffee or sunset cocktails.

Each bedroom tells its own story. Master suites with king beds open directly to the ocean. Guest rooms feature queen beds beneath vaulted ceilings, some with decorative iron frames that add Caribbean character. The bathrooms surprise with indoor tropical gardens and vessel sinks that turn daily routines into spa moments.
