Description

Villa Agata is an exclusive private estate located in the heart of Porto Rotondo, set within a beautifully landscaped 5,000 sqm private park that ensures total privacy while remaining just 400 meters from the Piazzetta.

The property embodies a refined balance between contemporary design and Mediterranean ele-gance, featuring high-end finishes and local materials that blend seamlessly with the surrounding landscape of the Costa Smeralda. Large windows and panoramic terraces enhance natural light and offer open views over the gardens and pool area.

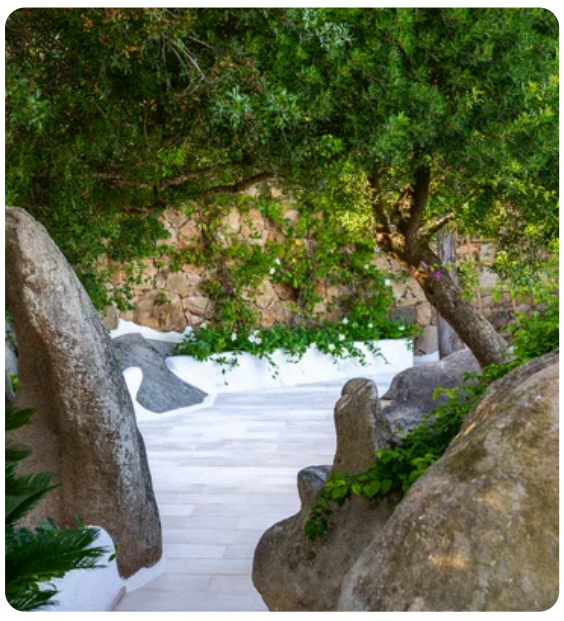

Layout and capacity

The estate consists of a main villa and several independent cottages (Villette Family, Michele, Ale, Massimo), designed to provide flexibility, comfort, and privacy.

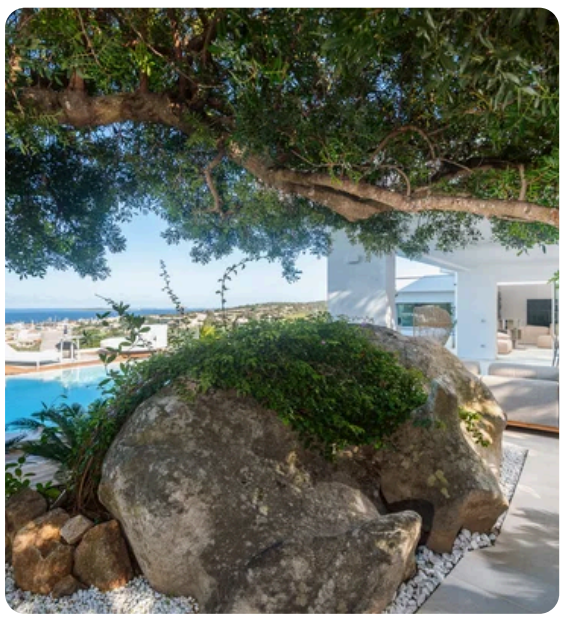

The dependance is reserved exclusively for on-site staff.
