NCG EXPERIENCE time is luxe

Description

Picture waking up to sweeping golf course views in Casa de Campo's most sought-after neighborhood. Villa Anel delivers the rare combination of resort luxury and private home comfort across 850 square meters of thoughtfully designed space.

Seven bedrooms sleep 14 guests comfortably. Each bedroom features its own bathroom and either golf course or garden views. The master suites offer king beds while two guest rooms provide flexible twin configurations. Natural wood accents, contemporary artwork, and Caribbean-inspired touches create spaces that feel both sophisticated and relaxed.

The heart of villa life centers around the heated pool and jacuzzi. Spend afternoons lounging on the expansive deck, then gather for sunset cocktails in the open-air living areas. A dedicated games room keeps everyone entertained when you're not exploring Casa de Campo's legendary amenities.
