### Description

Villa Anita sits in Casa de Campo's El Valle neighborhood, where golf course views stretch to the horizon. This four-bedroom retreat sleeps ten guests in contemporary comfort.

Walk through the entrance and find soaring ceilings framing an open-plan living space. Natural light pours through floor-to-ceiling windows. The kitchen features a marble island perfect for morning coffee while your private chef prepares breakfast.

Four bedrooms offer different configurations: two king suites for couples, plus rooms with two queens and one queen bed. Each bathroom showcases walkin rain showers and floating vanities. The master opens to a private terrace overlooking the golf course.

Outside, the infinity pool merges with those golf views. A covered dining pavilion seats ten for dinner parties. The separate gazebo houses a second living area with day beds. Your jacuzzi waits beside the pool for sunset soaks.

Daily life runs smoothly with your dedicated staff handling ever...
