Description

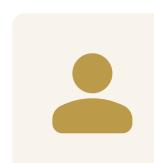

Wake up to the first hole of the Dye Fore golf course.

Villa Coly sits inside Casa de Campo, one of the Caribbean's most exclusive private resorts. Six bedrooms. Seven bathrooms. Room for 14 guests. And views that golfers dream about.

The main living space opens bright and airy, with floor-to-ceiling windows and a modern minimalist design. Your group gathers around a dining table built for 14—leather, hardwood, and natural wicker. The covered terrace outside becomes your second living room, complete with BBQ and those golf course views.

Downstairs, a full game room keeps everyone entertained. Pool table. Air hockey. Table tennis. A separate TV area when the kids want their own space.

The master suite comes with a king bed, private breakfast nook, walk-in closet, and a bathroom with double vanity and separate showers. Every other bedroom has its own en-suite bathroom, walk-in closet, and direct access to
