# Description

Picture yourself soaking in a private coral-stone spa room that feels like your own Roman bath house. That's just the beginning at Villa Dream, where Caribbean living meets old-world charm in Casa de Campo's peaceful Barranca Oeste.

This five-bedroom hideaway sleeps 12 comfortably across thoughtfully designed spaces. Wake up under soaring wooden beam ceilings. Cook breakfast in a granite kitchen that actually makes you want to cook. Gather everyone for meals on the covered terrace while tropical birds provide the soundtrack.

The pool deck becomes your daily headquarters. Multiple seating areas mean the sun-worshippers and shade-seekers both win. Inside, marble bathrooms and air-conditioned bedrooms offer cool retreats when the afternoon heat peaks.

Your dedicated staff handles the details, a housekeeper and cook arrive each morning, leaving evenings entirely yours. The concierge sorts out anything
