Description

Perched above Sorrento's dramatic coastline, Villa Lella commands breathtaking ocean views from every angle. This contemporary six-bedroom sanctuary sleeps twelve guests across multiple levels that cascade down the hillside, each designed to maximize the spectacular Mediterranean panorama.

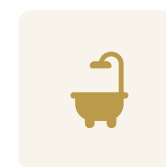

Wake to sunlight streaming through floor-to-ceiling windows in minimalist bedrooms where sea and sky merge on the horizon. The main living spaces flow seamlessly between indoors and out, with a striking glass-ceilinged kitchen that transforms meal preparation into theater.

The infinity pool appears to spill into the azure waters below, surrounded by warm wooden decking perfect for sunset aperitifs. Multiple terraces offer intimate corners for morning espresso or evening conversations under umbrella pines. Inside, clean lines and neutral palettes create a calming backdrop that never competes with the views.
