Maiori, The Amalfi Coast

## Description

Perched on Maiori's dramatic coastline, Villa Limone commands the Mediterranean like a private fortress. Seven bedrooms shelter behind ancient stone walls while infinity waters merge with horizon blues.

Morning arrives through floor-to-ceiling windows. White linens frame ocean views. Vaulted ceilings soar above modern furnishings, creating spaces that breathe with coastal light. The professional kitchen opens to terraces where breakfast tables sit beneath grape pergolas.

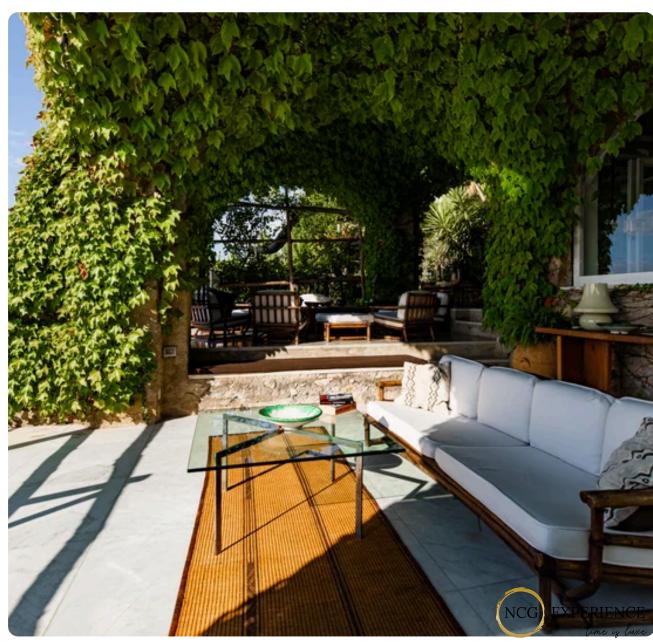

That green-tiled bathroom stops conversations. Emerald mosaics wrap every surface, transforming daily routines into spa-like rituals. Six more bathrooms echo this attention to detail: some with soaking tubs overlooking the sea, others with rain showers carved into stone.

The pool hangs between sky and water. Sun loungers line its edges. Below, the Mediterranean stretches endlessly. Above, ivy-covered arches create outdoor living rooms where lanterns glow at dusk.

Every corner tells its story. ...
