Description

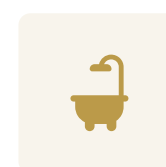

Perched dramatically above a traditional fishing harbor, Villa Lucrezia offers sweeping views of Capri and the Amalfi Coast through every window. This eight-bedroom villa sleeps 16 guests in exceptional comfort, with each bedroom featuring its own ensuite bathroom and the signature blue-and-white palette that echoes the Mediterranean waters below.

Step through arched doorways onto sun-drenched terraces. Dive into the sparkling pool that seems to merge with the horizon. Dine al fresco while boats bob in the harbor far below. The villa's modern architecture incorporates classical Italian elements: think pristine white walls, decorative tiles, and covered loggias perfect for long Italian lunches.

Your dedicated house manager and staff provide round-the-clock service, arranging everything from private boat excursions to hidden coves to chef-prepared meals on the terrace. Explore the Punta Campanella Marine Reserve by boat, hike coastal paths, or simply unwind in...
