Description

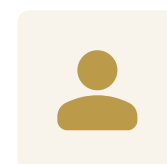

Step directly into the Mediterranean from this seafront villa perched above San Montano beach. Villa Marie puts you right on the water with private sea access, away from the tourist crowds of Positano and Sorrento.

The villa's bright turquoise ceramic floors create a Mediterranean vibe throughout 300m² of living space. Floor-to-ceiling windows frame views of Capri and the Gulf of Naples. You'll find contemporary furnishings mixed with traditional coastal elements across three floors.

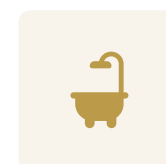

Four bedrooms sleep eight guests comfortably. Each has its own bathroom and air conditioning. The master suite opens to a private terrace with a plunge pool overlooking the sea. Wake up to sunlight dancing on the water.

The main living area flows onto a covered terrace perfect for morning espresso or evening aperitifs. The fully equipped kitchen has everything you need, from dishwasher to espresso maker. Direct beach access means you can swim before breakfast.
