

Villa Medica

Casa de Campo, La Romana

Gallery

Description

Six bedrooms. Seven bathrooms. Space for 14 guests. Villa Medica sits in the exclusive Las Lomas neighborhood of Casa de Campo.

Walk through the grand arched entrance into soaring cathedral ceilings with exposed wooden beams. Natural light floods every corner. The main living area flows seamlessly between indoor and outdoor spaces, perfect for Caribbean living.

Your private chef prepares meals in the gourmet kitchen with granite island and professional appliances. Dine under the thatched-roof palapa by the pool. Or gather inside where French doors open to tropical breezes.

The pool stretches across manicured lawns with a separate jacuzzi. A fully equipped gym keeps your routine intact. Challenge friends at the pool table, ping pong, or foosball.

Each bedroom features its own bathroom and balcony access. Master suites offer king beds and marble bathrooms with soaking tubs. Guest rooms accommodate families with two queen beds each.
