Description

Villa Mira accommodates up to ten guests (8+2) and is spread across two beautifully furnished levels. The property features four elegant bedrooms — including two luxurious master suites and two guest bedrooms — along with four modern bathrooms finished with premium materials.

The interiors are enhanced by exotic Ipé hardwood flooring, bringing warmth, sophistication, and timeless elegance to every room. Large windows and panoramic terraces flood the villa with natural light throughout the day, creating a bright and peaceful atmosphere.

Every detail has been carefully curated to ensure maximum comfort, including independent air conditioning and heating throughout the villa, high-speed StarLink Wi-Fi, Smart TV with Netflix, PlayStation 4, a premium Bose indoor and outdoor sound system, and a fully equipped kitchen complete with an ice machine and all the essential amenities needed to feel at home.

Infinity Pool, Wellness Area & Outdoor Living

One of Villa Mira's most remarkable features is its spectacular heated infinity pool, available upon request, appearing to blend directly into the sea beyond. Surrounding the pool are elegant lounge areas, panoramic gazebos, and a spacious barbecue area, perfect for unforgettable lunches and dinners under the Mediterranean sky.

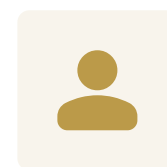

The villa also features a luxurious outdoor hot tub available year-round, ideal for relaxing moments overlooking the sea. Guests can enjoy a fully equipped private gym and a variety of outdoor spaces thoughtfully designed to embrace the surrounding landscape, including a hammock nestled in nature and panoramic terraces ideal for sunset aperitifs.

The expansive private garden, extending across approximately 4,000 square meters, is surrounded by authentic Mediterranean vegetation and offers a peaceful oasis of complete privacy and tranquility.

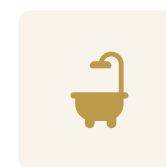

Nature, Privacy & Extraordinary Views

Villa Mira is far more than a luxury residence — it is a place where nature and elegance come together to create truly unforgettable emotions. A charming private path descends from the villa toward the village of Sant'Elia, crossing a lush valley filled with Mediterranean oak trees, broom bushes, carob trees, and wild olive groves. The area is also home to foxes and peregrine falcons, adding to the magical atmosphere of this hidden paradise.

Directly in front of the villa lie the magnificent Li Galli Islands and the endless Mediterranean Sea. In the distance, guests can also admire "Il Picco," the solitary rock linked to the legendary Arch of Queen Giovanna, famously
