Description

The spaces

With its 7 spacious bedrooms and 8 bathrooms, Villa Nika is designed to welcome large groups, families and parties of friends who wish to share an unforgettable experience without sacrificing their own personal space. Every detail has been carefully curated, blending elegance and functionality to ensure the highest level of comfort throughout your stay.

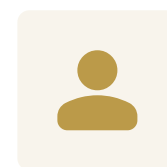

The outdoor spaces are the beating heart of the villa: the tropical garden creates an atmosphere of serene natural beauty, while the patio is the perfect setting for al fresco lunches, sunset cocktails and leisurely moments in the shade. The private pool and jacuzzi complete a picture of pure well-being, inviting guests to immerse themselves in the slow, restorative rhythm of the Caribbean.

The location

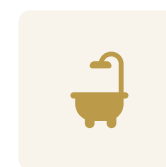

Set in the heart of Las Colinas, one of the most sought-after areas within the exclusive Casa de Campo estate, Villa Nika offers its guests the rare combination of complete privacy and immediate access to all the resort's amenities. The beach and the vibrant marina — with its restaurants, boutiques and water activities — are just a few minutes away, making every day effortless to plan and full of possibilities.
