Casa de Campo, La Romana

Description

Step into Villa Paraiso, where contemporary design meets Caribbean soul in Casa de Campo. This five-bedroom haven wraps you in natural textures: think warm woods, woven accents, and floor-to-ceiling windows that blur the line between inside and out.

Each bedroom flows with the same organic aesthetic. Platform beds float beneath vaulted ceilings. Local artisan pieces dot the walls. Your private bathroom? Picture soaking in a tub while gazing at your own tropical garden through glass walls.

The heart of the villa opens completely to the pool deck. White sofas face an infinity pool that mirrors the sky. Thatched-roof pavilions offer shade for afternoon siestas. At night, subtle lighting transforms the space into something magical.

Your dedicated staff handles everything. The cook prepares fresh Caribbean flavors. The housekeeper keeps spaces pristine. The waiter serves poolside mojitos. They're here from morning until late evening, with a concierge
