Description

Villa Passione is an extraordinary private residence that represents the pinnacle of contemporary Mediterranean architecture, designed by renowned Italian architect Ferdinando Fagnola. Set within an exceptional natural setting, the villa stands on approximately 7,000 m² of landscaped grounds directly facing the turquoise waters of the Costa Smeralda, offering a perfect balance of refined design, sophisticated comfort, and an intimate connection with the sea.

Conceived for discerning guests seeking privacy, elegance, and discretion, Villa Passione is an authentic coastal retreat, ideal for families or groups of friends wishing to experience Sardinia's most exclusive side in complete tranquility. Access to the property is possible both by land, via a private road with gated entrance and video surveillance, and by sea, thanks to the private dock, fully equipped for tenders and yachts up to 15 meters in length.
