### Description

Wake up to Caribbean Sea views from your bed. Step onto manicured grass that meets the Dye Fore golf course. This is Villa Rea, where modern architecture meets Dominican paradise.

Six bedrooms sleep 16 guests across 1,200 square meters of thoughtful design. Floor-to-ceiling windows frame golf course greens and ocean blues. The master suite sprawls with a king bed while five additional rooms each offer two queens, perfect for families or groups.

Your days flow between the infinity pool and jacuzzi, both set in tropical gardens. The covered terrace becomes your outdoor living room. Twelve can dine alfresco here while others lounge on daybeds or mix drinks at the outdoor bar with KitchenAid appliances.

Inside, two kitchens handle everything from morning coffee to dinner parties. Two studies offer quiet corners for calls. The living and dining areas open to those endless views.

Your dedicated staff work from 8am to 11:50pm. A 24/7 concierge arranges
