

Villa Rondine

Ravello, The Amalfi Coast

Gallery

Description

Perched dramatically on the cliffs above Ravello, Villa Rondine feels like stepping into a Mediterranean dream. This six-bedroom estate captures the soul of the Amalfi Coast with its soaring vaulted ceilings, hand-painted Vietri tiles, and terraces that seem to float above the turquoise sea.

Each room tells its own story through soft pastels: lavender, buttery yellow, and sky blue walls frame panoramic ocean views. The traditional majolica floors create kaleidoscopic patterns underfoot while crystal chandeliers cast warm light across elegant furnishings. Some bathrooms feature spa-worthy Jacuzzis carved into the rock face, others showcase modern rain showers behind glass.

Outside, wisteria drapes over ancient pergolas where you'll take morning coffee watching boats trace the coastline below. The pool terrace offers both mountain and sea views, a rare combination even along this legendary coast. Manicured gardens filled with lemon trees and Mediterranean herb...
