Description

Step into centuries of Italian history. This 1728 estate sits among ancient olive groves, where the scent of orange blossoms drifts through nine bedrooms that sleep twenty guests comfortably.

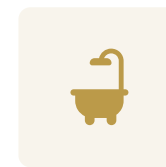

Every morning starts with bay views. Every evening ends with the marina lights below. Between them? Your private infinity pool blending into the Mediterranean horizon.

The restored villa keeps its original stone arches and vaulted ceilings. Modern kitchens meet traditional tile work. Multiple living spaces mean everyone finds their corner - whether that's the red-accented salon, the blue-themed suite with ocean views, or the garden pergola wrapped in bougainvillea.

Your days here unfold naturally. Pick vegetables with the gardener. Cook in the outdoor kitchen. Swim whenever you want, pool and hot tub stay open 24/7 from May through October. Four hours of daily housekeeping means you actually relax.
