## Description

Villa Venere is an exclusive luxury residence located in Cannigione, in the heart of Gallura, and

represents one of the most captivating panoramic villas on the Costa Smeralda. Its elevated position

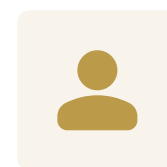

offers one of the deepest and most breathtaking views in the area: the panorama opens over the vast

Gulf of Arzachena, flows across the wild profiles of Caprera Island, embraces the beauty of the La

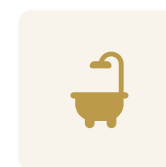

Maddalena Archipelago, and extends all the way to the iconic silhouette of Tavolara Island, rising

on the horizon like a natural sculpture. A luminous, rare, and emotionally powerful setting that en

chants at every hour of the day and night.
