# Description

Picture waking up to endless Mediterranean blue. Six bedrooms, each with its own bathroom, spread across a modern hillside haven in Massa Lubrense. Your morning coffee comes with front-row seats to Capri floating on the horizon.

The rooftop terrace becomes your private sky lounge. Sink into the hydromassage pool while chromotherapy lights dance beneath the water. The Amalfi Coast stretches before you like a painted canvas. When evening falls, fire up the barbecue and dine under stars.

Two kitchens mean choices. The main kitchen opens wide for big family feasts. The smaller one whispers "midnight snack" when everyone else sleeps. Bright pops of color, ocean blue, sunset orange, lavender, bring Italian joy to every room.

Down below, the infinity pool seems to spill into the sea itself. Another hydromassage corner waits here too. Because one is never enough when you're this close to paradise.
