## Description

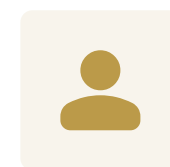

Wake up to the Caribbean Sea stretching out below you. Villa Zuleica sits in Casa de Campo's Vista Catalina neighborhood, where seven bedrooms and eight bathrooms spread across a modern residence built for groups up to 20.

The infinity pool drops off toward the ocean. Next to it, a jacuzzi catches the same panoramic view. Inside, you'll find a private cinema, a gym with sauna, a pool table, massage room, and even a hair salon. It's the kind of place where you could spend a week without leaving the property.

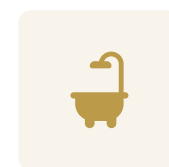

The outdoor gazebo seats 18 for dinner under the stars. There's a professional BBQ setup for the chef (yes, one comes with the villa) to work with. When the weather turns or the occasion calls for it, move inside to the formal dining room.

Staff handles everything from 8am to midnight: a butler, housekeeper, cook, waiter, and gardener. The 24/7 concierge can arrange yacht charters, private trainers, spa treatments, or a nanny if you're traveling with kids.
